Financial Planning Campaign
2024

THIS IS PEACE UNITED WE MAKE IT WHAT IT IS

We make Peace United what it is through each person's amazing, diverse gifts of Time, Talent, and Treasure. Now that we are fully engaged again in our programs, ministry, and outreach we are ready to be all-in once again!

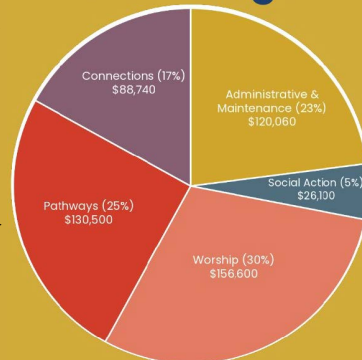

As we prepare to begin our 2024 GENEROSITY UNLEASHED giving campaign we want to provide information on how all gifts are used to financially support the \$522,000 budget for Peace United in 2024. It is through the unleashing of your generosity, your creative heart, and the work we do, that makes Peace United what it is!

To provide a clearer picture of our 2024 budget, we have provided descriptions of our programs and how your gifts support each area of our outreach (Worship, PATHWAYS, Social Action, CONNECTIONS and Administration/Maintenance.) Your gifts provide the support for staffing, supplies, resources, maintenance, and administrative costs for each area.

We prayerfully encourage you to consider your gifts to support and celebrate the amazing ministry of Peace United in the future through your pledges and gifts.

Thank you, in advance, for UNLEASHING YOUR GENEROSITY!
